Public: 16

Purpose: Purpose of the public hearing was to hear comments from the public regarding Local Law 3-2014 to amend Schedule VIII of Article III Chapter 239-12, Parking prohibited at all times.

The public hearing was posted as required.

Pledge: Said by all.

Comment Session:

Mayor Leonard started the comment session stating the Village Board received a Petition of 68 signatures to designate a no parking zone on both sides of Barringer Road from the intersection at Montgomery Street north to the intersection at West Prospect Street.

Barringer Rd. Resident 1 – Suggested car length no parking @ each intersection and mark the crosswalks. Vehicles' being able to park @ location reduces traffic speed.

Montgomery St. Resident – Expressed the poor visibility entering onto Barringer Rd. from Montgomery St. with vehicles parked on Barringer Rd.

Barringer Rd. Resident 2 – Stated most homes have limited parking. There would be no available parking for family or guests. Resident suggested reducing the speed limit to 20 mph to control speeding. Resident asked the Village Board to consider continuing the lower end of Barringer Rd. for off street parking. Another option would be to place no parking signs indicating no parking on Mondays through Fridays, except holidays, until after 6:00 pm.

There being no further comments or questions, Mayor Leonard declared the public hearing adjourned at 6:25 pm.

Respectfully submitted

MariJo Thompson
Deputy Village Clerk
